

# GENERAL ASSEMBLY MEETING PROCLAIMS MR. EDMUND HO HAU WAH AS BROTHER OF MERIT

The General Assembly Meeting of the Macau Holy House of Mercy, chaired by Brother Leonel Alves, took place on March 30.

The agenda of the meeting consisted of the approval of the management accounts for the year of 2010 and of the budget for the current financial year.

Also in the meeting agenda, was a proposal for the proclamation of Mr. Edmund Ho Hau Wah as Brother of Merit, which deserved unanimous approval from the attending members of the Brotherhood.

According to the President of the Table of Directors, António José de Freitas, the Benefactors of Macau Holy House of Mercy, partake not only the richness of their spirit, but also the culture of charity and solidarity to assist those in need, thus contributing to the development of the Mission of this institution in its process of affirmation as a prestigious institution of solid and credible social solidarity.

Following the establishment of the Macau Special Administrative Region, the Brotherhood has always received the full and prompt support from Mr. Edmund Ho Hau Wah, as Chief Executive and as a Friend of the community. It is therefore undeniable that it was due to his personal commitment and the support of the Government that the Macau Holy House of Mercy has recorded its biggest leap forward.

Hence, it is reasonable, for his contribution towards the continuation of the Mission of the Brotherhood, to proclaim Mr. Edmund Ho Hau Wah, now in the high office as Vice-Chairman of the Chinese People's Political Consultative Conference, as Brother of Merit.

The day was also marked with the launching of the Macau Holy House of Mercy website with the aim of sharing the history and mission of the institutions with the world.
